Prices and Specifications effective from 1st October 2025. On the road and VAT inclusive at 20%. This price list is designed to be used in conjunction with the model brochure. The base price is for the vehicle with its standard specification as per the model brochure. The £OTR (on the road) price includes VAT, the cost of number plates, all delivery charges, First Year VED (Road Tax) and the first registration fee. Auto-Sleepers, Mercedes and Fiat reserve the right to alter any detail of the price, specification and equipment without notice prior to an order being placed.

TIME TO GET ACTIVE

The Auto-Sleeper ACTIVE range offers a fresh, accessible take on campervanning, designed for younger touring families and first-time buyers. With stylish interiors, practical features like a fully-equipped kitchen and Truma CombiNeo heating, it delivers everyday comfort and real-world adventures at an affordable price.

Pack More into Every Journey

Bringing along all of your active gear and sports equipment? No problem — our 2026 models have been designed with smart, spacious storage solutions to accommodate all your kit.

Fully Functional Kitchens

Active van conversion kitchens include a versatile 3 burner hob, oven, grill, and fridge-freezer, with plenty of preparation space and storage for making meals on the go.

LED Interior Lighting

Create the perfect atmosphere with clear, bright-white, and energy-efficient LED lighting, complemented by the easily accessible and repositionable reading spotlights.

Rear Travel Seats

Active Campervans include two front lounge travel seats with 3-point harness safety seatbelts as standard, combining travel comfort with complete peace of mind on the road.

Multifunctional Washrooms

Our multifunctional washrooms cleverly combine shower and toilet facilities to maximise the interior habitation space and on convenience.

A Comfortable Nights Sleep

All campervans feature premium quality Reflex™ foam, resulting in easy bed make-up for a truly restful night's sleep. The Fixed Bed KB 635 features a memory foam mattress as standard.

Dine Al'Fresco!

Feel like making the most of some glorious weather? All Auto-Sleeper models feature external BBQ points for quick and easy outdoor dining.

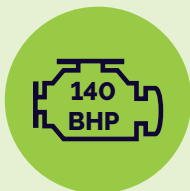

Pop-Top Roof*

Choose the optional elevating pop-top roof for added space, sweeping views, and an extra double bed whenever you need it.

*Hot water in 3 minutes for washing up and water for a hot shower after 8 minutes. (Heating time in gas and hybrid mode with a temperature difference $\leq 25^{\circ}\text{C}$ (e.g. tank 13°C - shower temperature 38°C) and a water flow rate of 3.5 litres per minute, limited by supply of gas, electricity and water and lifespan of the product.)

THE LATEST TOURING TECHNOLOGY

FIAT Ducato 140BHP Turbo Diesel Engine

Under the hood is Fiat's Euro 6E engine that delivers a confident performance, with a manual or optional automatic gearbox#.

7" Integrated media console with DAB, Apple Carplay & Android Auto*

Touchscreen media console with DAB+ Apple CarPlay, Android Auto, calls, and messaging.

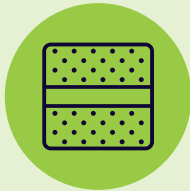

3500kg Chassis

Campervans are driveable on any standard UK car licence for maximum accessibility.

Advanced Driving Safety & Comfort

FIAT Series 2 chassis with ESP, ABS (with EBA & EBFDD) and cruise control for a safer, smoother drive.

Reflex™ foam and circa 50k rub test high quality fabrics

Our standard Active Grey fabric exceeds 50,000 Martindale cycles for exceptional durability.

100W Solar Panel***

Harness renewable eco-energy to efficiently power your off-grid motorhome adventures and help reduce hookup costs.

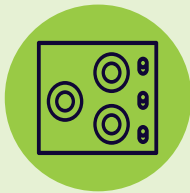

25L Underfloor Mounted LPG Tank

Space-saving, long-lasting gas supply for heating, cooking, and hot water.

Truma CombiNeo Continuous Hot Water and Heating System†

The CombiNeo dual-fuel system provides efficient heating and continuous hot water.

Full size cooker with 3 burner hob

Kitchens include a 3-burner hob with a separate oven and grill, offering plenty of versatility for cooking on the go.

90L Fridge-Freezer

Keep your food fresh with the large 90L compressor refrigerator with freezer compartment

Sargent Ultrasonic Fresh & Waste Water Sensors

Active models feature Ultrasonic Water Tank Sensors for precise, contactless monitoring of fresh and waste levels,

All-Year Round Touring

All of our 2026 van conversions are designed for enjoyable all year round touring - featuring efficient interior heating systems & excellent thermal insulation.

IMPORTANT INFORMATION

This brochure is for guidance purposes only. Please be sure to check our full current and technical specifications with your retailer before placing your order. Auto-Sleepers design its Motorhomes to provide a variety of potential uses for its customers. Each vehicle features the optimum storage, fluid, seating and sleeping capabilities. While the customer enjoys this potential, they have the responsibility to select the proper combinations of loads without exceeding the chassis weight capacities. Please note that imperial conversions have been rounded to the nearest inch. Dimensions are based on vehicles with standard wheels. All weights and dimensions are subject to manufacturing tolerances and refer to standard specification models and do not include any options. Data & accuracy: The contents of this publication are as accurate as possible at the time of going to press (Oct 2025), but this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Details of performance, dimensions and weights are subject to minor deviations within manufacturer tolerance limits (max +/- 5%). Effective 1st October 2025. This literature supersedes all others.
