Please Note: Optional Automatic Fiat gearbox reduces Max User Payload by 50kg.

Pack More into Every Journey

Bring along all of your active gear and sports equipment? No problem — our 2026 models have been designed with smart, spacious storage solutions to accommodate all your kit.

Fully Functional Kitchens

2026 Fiat Campervan Kitchens include a 3 Burner Hob, Oven, Grill, Microwave, Extractor Fan, and Fridge-Freezer, with plenty of space and storage for meals on the go.

LED Interior Lighting

Create the perfect atmosphere with clear, bright-white, and energy-efficient LED lighting, complemented by the easily accessible and repositionable reading spotlights.

Durable Upholstery

Our latest interior fabrics have surpassed 50,000 cycles on the Martindale rub test, ensuring outstanding durability and long-lasting quality.

Multifunctional Washrooms

Our multifunctional washrooms cleverly combine shower and toilet facilities to maximise the interior habitation space and on convenience.

A Comfortable Nights Sleep

All campervans feature premium quality Reflex™ foam, resulting in easy bed make-up for a truly restful night's sleep. The Fixed Bed Kingham features a memory foam mattress as standard.

Dine Al'Fresco!

Feel like making the most of some glorious weather? All Auto-Sleeper models feature external BBQ points for quick and easy outdoor dining.

Thule Roof Mounted Canopy Awning*

Extend your living space with a sleek, durable awning—perfect for shade, shelter, and alfresco dining.

*Hot water in 3 minutes for washing up and water for a hot shower after 8 minutes. (Heating time in gas and hybrid mode with a temperature difference ≤ 25°C (e.g. tank 13°C - shower temperature 38°C) and a water flow rate of 3.5 litres per minute, limited by supply of gas, electricity and water and lifespan of the product.)

FUNCTIONALITY MEETS Comfort

Built for adventure, these campervans pair modern touring tech with versatile interiors — ideal for weekends in Cornwall or longer Peak District escapes. Smart layouts keep gear organised while offering a comfortable living space, complete with hot showers, home-cooked meals, and a cosy place to unwind.

THE LATEST TOURING TECHNOLOGY

FIAT Ducato 140BHP Turbo Diesel Engine

Under the hood is Fiat's Euro 6E engine that delivers a confident performance, with a manual or optional automatic gearbox#.

FIAT 10" Touch Screen DAB+ Infotainer*

Premium touchscreen with rear camera, Apple CarPlay, Android Auto, calls, and messaging.

Glide-Rite semi-air suspension system installed***

Enjoy enhanced stability and refined handling, on every journey with the Glide-Rite semi-air suspension system installed.

Advanced Driving Safety & Comfort

FIAT Series 2 chassis with ESP, ABS (with EBA & EBFD) and cruise control for a safer, smoother, and more confident drive.

3500kg Chassis

Fiat Campervans are driveable on any standard UK car licence for maximum accessibility.

100W Solar Panel***

Harness renewable eco-energy to power your motorhome off-grid adventures and reduce on-site hookup costs.

25L Underfloor Mounted LPG Tank

Space-saving, long-lasting gas supply for heating, cooking, and hot water.

Truma CombiNeo Continuous Hot Water and Heating System†

The Truma CombiNeo dual-fuel system for efficient heating and hot water on the go.

5G-Ready Wi-Fi***

Stay connected whilst travelling with the inclusion of the built-in mobile broadband hardware for faster, more reliable touring internet onboard.

100ah Lithium iron phosphate leisure battery***

High-performance 100ah leisure battery enhanced performance and long-lasting, reliable power on your travels.

Sargent S7 Vehicle Tracker Pre-Installed**

Pre-installed Sargent 24/7 security system with advanced tracking and monitoring.

Optional Truma Aventa Comfort A/C Climate Control#

Roof-mounted air conditioning system for a comfortable, cooler summer touring experience.

IMPORTANT INFORMATION

This brochure is for guidance purposes only. Please be sure to check our full current and technical specifications with your retailer before placing your order. Auto-Sleepers design its Motorhomes to provide a variety of potential uses for its customers. Each vehicle features the optimum storage, fluid, seating and sleeping capabilities. While the customer enjoys this potential, they have the responsibility to select the proper combinations of loads without exceeding the chassis weight capacities. Please note that imperial conversions have been rounded to the nearest inch. Dimensions are based on vehicles with standard wheels. All weights and dimensions are subject to manufacturing tolerances and refer to standard specification models and do not include any options. Data & accuracy: The contents of this publication are as accurate as possible at the time of going to press (Oct 2025), but this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Details of performance, dimensions and weights are subject to minor deviations within manufacturer tolerance limits (max +/- 5%). Effective 1st October 2025. This literature supersedes all others.
